## Physique, Health & Nature

People born when Aries Ascendant was rising, will generally have a lean, yet muscular body of medium stature, they don't have the tendency to put on weight, which gives them a compact figure of ruddy complexion, they have an oval face sporting bushy eyebrows. Invariably they have eyes of gray or grayish brown colour. A mark or scar on the head or on either side of the temples is a distinct possibility.

Arians enjoy good health and have an inbuilt constitution having the power to resist diseases. They can remain fit if they stick to vegetarian food and abstain from intoxicating drinks. But since they are prone to injuries, they should be extremely careful in their movements, failing which they run the risk of an accident, particularly to the head. They should have adequate rest and sleep, and cultivate the habit of giving rest to their tense nerves.

This is essential, as by nature Arians are action-oriented, ever ready to fight against adversities. Having a spirit of independence, they will go all out to defend their rights and resist injustice. Simple, straightforward and outspoken, they have charming manners which attract the opposite sex. Ardent in love making, they shower ever-lasting affection on their spouse. Only, they should curb their desire to be the dominant partner at home. Their ties with their relatives will not be too strong and often they have strained relationships.

Life will be one of continuous struggle, with varying fortunes. There will be no dearth of enemies, but Arians are capable of conquering them. Because of their aggressive nature, they will shine in executive posts.

From the first house in your birth chart, Saturn is casting a rather evil eye on you, trying to mar your image in public. Affecting your health periodically, the planetary position tends to make you an unreliable, proud individual. This will naturally be detested by all your contacts, ruining your hopes for prosperity. Even your relatives will get upset and start deserting you. At home too, you may encounter opposition. There is but one way for you to get past these hurdles and lead a normal life. And that is to follow a straight course with honesty and decency, without entertaining any thought of underhand deals.
