Detailed Analysis of Gems

औषधि मणि मंत्राणां, ग्रह-नक्षत्र तारिका ।
भाग्यकाले भवेत्सिद्धिः अभाग्यं निष्फलं भवेत् ॥

Medicine, Gems and Mantras are effective in overcoming the diseases caused by planets and stars. If the time is favorable the expected results are obtained otherwise all these remedial measures turn useless.

A Gem enhances the physical charm of the wearer and increases the power and reduces the malefic influence of planet with its mysterious powers. The flow of radiations emitted by planets in our body gets enhanced with the power of gems. Therefore, those planets which are auspicious in horoscope but lack strength can be strengthened by wearing gems. But contrary to this the gems of inauspicious planets multiply the malefic effects of such inauspicious planets. This is the reason because of which astrologers advise complete relinquishing of the gems of inauspicious planets in horoscope.

A planet is considered favorable when posited in Lagna, Trikona or Kendra or has the lordship of these houses. This is inauspicious if connected to Trik Bhava. The conjunction and aspect of friendly planets also enhances its auspiciousness. The lordship of a Badhak Bhava reduces its beneficence. In movable Lagnas 11th, in stationary Lagnas 9th and in dual Lagnas the 7th house is termed as Badhak Bhava. The placement of planets in their enemy sign or sign of debilitation also decreases their auspiciousness.

For any horoscope the gem of Lagna lord is known as life stone by wearing which the wearer gets good results like attainment of good health, development of personality and enhancement of reputation. The gem of 9th house lord is termed as lucky stone by wearing which the development of destiny can be expected along with enhancement of status. Similarly the gem of Yoga Karaka planet is Karaka gem and has enough potential to give financial gains and progress in the task undertaken along with all round development.

For the gratification of various desires one might need to wear more than one gem. The detailed information about which gem would yield what type of results in your horoscope has been given below. In addition to that the method of wearing has also been given along with the names of the other gems that can be worn with it. You can attain maximum success in life with right selection of gems.

A clear gem with clear cutting can absorb more radiations therefore the gems of good quality only are capable of giving completely beneficial result. The weight of the gem should be in proportion to the weakness of the planet and body weight. If the planet is very weak then the weight of gem should be heavier. Except diamond all the gems should be touching the skin. Gems worn in fingers in specific metal prove most beneficial.

If because of some reason one needs to remove the gem then it should be placed in a safe place after washing it with Gangajal on the day of it. If gem gets misplaced or stolen away then it is an indication of the removal of the malefic influence of the planet. Similarly if the gem loses its charm then again it also indicates the same. If the gem cracks then it means that the planet for which it is worn is very effective and in this situation this specific planet should be propitiated and the gem should be replaced by a new one.

For attaining the auspiciousness of inauspicious planets in the horoscope the remedial measures like wearing of Rudraksha, Mantra chanting, donation of its Karaka article, Jal Visarjan and fasting etc. can be recommended. If because of some reason you are incapable to wear the required gem then wear the Rudrakshas or semiprecious stones as substitute for this gem or else increase the strength of the planet by Mantra chanting, donation or fasting. The desired benefits are obtained by wearing the gem of auspicious planet and by Jal Visarjan and donation of the article or grain of inauspicious planets.

लग्ने व्यये च पाताले जामित्रे चाष्टमे कुजे ।
स्त्री भर्तुर्विनाशं च भर्ता च स्त्री विनाशनम् ॥

Manglik dosh is considered stronger when Mars is placed in the ascendant than when Mars is conjoined with Moon in ascendant. If according to the Shastras the Manglik dosh of both the boy and the girl is getting cancelled then they are guaranteed a happily married life. On the other hand, if this Manglik dosh is not cancelled then they are likely to face unnecessary problems and hurdles in life. So one must begin his/her married life after getting their horoscopes thoroughly matched. After getting the Manglik dosh properly cancelled the native shall be bestowed with a peaceful and wealthy life.

At the time of your birth Mars' was placed in the fourth house with Moon. So you are a Manglik according to your Moon Horoscope and since it is not being cancelled, with its effect you will be able to earn various luxuries and movable and immovable property. You will enjoy mental peace and physical health. With its effect your marriage may be slightly delayed and even at the time of settlement there may be breaks. Your wife will have a sweet disposition. Your married life will be peaceful and happy.

Due to Mars' aspect over seventh house your wife will enjoy good health. She may become slightly aggressive at times but it will not affect your mutual relations. Mars' aspect over the tenth house indicates that you will progress a lot in your field of work. A promotion is on the cards due to which there will be an upliftment in your status and respectability. With the effect of Mars' aspect over the eleventh house you will be able to earn the necessary amount of money. There will be an increase in your sources of income.

To increase the benefic effect of Mars', you must marry such a Manglik girl with whom your Manglik dosh gets mutually cancelled. In this case you will be the owner of various luxuries and movable and immovable property. Your married life will be peaceful as you will get along well with your wife.

Pitridosha Vichar

What is Pitridosha ?

Our deceased ancestors are termed as Pitar or Pitri. Pitri is a class between us and God. If they are happy the man is able to live a decent and successful life but if they are dissatisfied because of some reason then the native becomes victim of various types of diseases and troubles.

Later these Pitri either get Mukti (Liberation from the bondage of birth and death) or else take birth on this earth again. If all the Pitri in a family have taken rebirth or attained Mukti then for some time there are no Pitri for that specific family. In this situation the native gets fortunes and misfortunes on the basis of his own horoscope. Therefore, all family members should serve the Pitri by Tarpan etc. till the time they are there in Pitri loka. If Pitri are contented then they grant all round prosperity to the native.

The reason of unhappiness of Pitris resulting into Pitridosha can be untimely death of an ancestor or the unfulfilment of the last wish of the ancestor else the infliction of curse of someone on the soul of the ancestor. These ancestors need food in spite of being in Pitri Yoni. If family people do not offer food by Karmas like Tarpan etc then they become distressed and troubled. Pitri experience various types of troubles till the time they are not propitiated by Karmas like Puja Paath, Pindadaan and Tarpan etc.

Pitri Dosha generally happens not because of own Karmas rather because of the Karmas of parents and ancestors. This Dosha exists in the horoscope since birth but karmas get created after birth therefore the reason of Pitridosh remains inexplicable and only its symptoms are visible. We do not get auspicious results for our deeds in spite of having favorable Dasha and transit. At home there remains tension, disease, lack of peace and scarcity of funds. There are no issues or else one gets mentally retarded children who face obstacles in their progress or marriage.

Therefore when we face such above mentioned troubles continuously without having any visible reason in the horoscope then in that situation we must do propitiation of Pitridosha till the situation does not turn favorable.

Symptoms of Pitridosha

- * Sudden death or accident in family.
- * Suffering from hereditary diseases and long chronic illness.
- * The birth of handicapped or unwanted child in the family.
- * The disrespectful and torturous behavior of children in the family.

- * Seeing snakes in dreams.
- * Earn stigma of infamy for bad deeds.
- * The grey hairs of the elders start turning yellowish or else they suffer from black cough.
- * Ancestors of the family demand food or clothes in dream.

How to Recognize Pitris ?

- * Chant 11th chapter of Srimadbhagavadgita daily. Your Pitris shall show their face to you in your dreams.
- * At night wash your hands and feet and pray in your mind and request your Pitris to give their Darshana to you.
- * If you are facing obstacles in the accomplishment of your task then remember your Pitris and request them for the success of your tasks. I will do Shantipaath for you. If your this type of request results into the accomplishment of your task then it shall imply that you need to do Pitri Shanti.

Remedies for Pitri Dosh

Pitri Dosh In Your Horoscope

Your horoscope is free from pitridosh yogas so you shall never become victim of any type of trouble because of Pitridosha.

Notes :

Tripindi Shraadh and Narayan Naagbali are the main remedies for Pitridosha. These are done primarily in Tryambakeshwar. In Tripindi Shraadh the symbolic small statues of ancestors are made and Mantras are chanted on these. Finally they are flown in running water like Asthi Visarjanam.

Narayan Naagbali is done with the objective of fulfillment of desires of ancestors for their Moksha. In this Shamshankriya is done for two days and Manglik Puja on third day. If there are obstacles in getting married or begetting children because of Pitridosha then they get eradicated after observing these remedial measures.

You will have to obtain treatment and maintain effective diet-control.

Any laxity in this, would be entirely at your own cost. Further there is the danger of an accident or a violent hurt which must be guarded against. Here again, there can only be a general kind of caution. But chances are that if you maintain caution, this would be helpful in every way.

Travel would also prove quite beneficial.

Education

Nothing particularly beneficial about the augury from the stars this month, in so far as your educational prospects are concerned. Most of you would lack the necessary drive and motivation which is necessary for reaching the top. Therefore, during this period you would have to tap your inner resources to derive the required inspiration.

Students of both arts and the sciences would have to put in a good deal of extra effort to maintain your ranking. This would also apply to people sitting for any competitive examination. They would do well to go in for extra coaching, because this could be the decisive factor.

Travel

Not much percentage in travel for you, this month since the stars are not very helpful about this aspect of the forecast for the coming month. There is a likelihood of an injury or some other physical trouble during the course of your journeys. Care should be exercised and risk minimized.

Your job or business would require that you travel a fair amount though this effort could go largely unrewarded, since the turn of events would just not be favourable. You would travel alone and almost entirely by rail or by road. The most favourable direction would be east though during the coming period this may not all that helpful.

Family

The affairs of your family would be fraught with difficulties and inopportune influences practically throughout the month, since the stars facing you are far from favourable. You must firmly curb any tendency to pointless suspicions, for this could well take your relations with your spouse to the stars as they say. Therefore, discipline yourself on this score, and inculcate a more tolerant, generous attitude of mind.

Some of you would also have serious differences with your brothers. Here again, patience and refusal to be provoked into any kind of confrontation would go a long way in preventing such an occurrence. Children would not help either and their activities would have to carefully supervised.

Children

Nothing particularly favourable about the coming month in so far as the prospects for your children are concerned, since the augury from the stars is not too favourable on this score. This would not be a month of high performance. The real students would need a great deal of extra help and encouragement to pull on. In fact, even those who are normally bright would find their performance slipping.

The behaviour of most of them would also be quite unruly with some of them getting into fights with their brother. Parents should deal with this quite firmly.

DUASTRO

Prediction For November 2025

Health

A month during which you face a combination of stars, which holds out no encouragement for your health. There are chances that due to over-exertion and exhaustion you would be in a state of general debility and even nervous disorder. This you must avoid at all cost. You must come up with a fresh schedule of activity that does not put undue strain on your system.

This done, you must firmly stick to such a schedule, failing which you would have only yourself to blame. There is the further possibility of some leg trouble, and muscular cramps bothering you. These, too, would demand extra attention and care. Take care, because the turn of events is none too favourable.

Finance

There is nothing particularly favourable for your financial prospects in the combination of stars, facing you this month. In all your dealings a lack of self-confidence and the ability to take initiatives would be missing. This would make for stagnation and retard all progress.

There would also be a storage of any worthwhile opportunities. In fact, the climate will be totally unfavourable for investment and the launching of any new ventures. Any such plans should be shelved till a more opportune moment. The set of circumstances ahead does not augur too well for your financial prospects and you would do well to maintain a low profile.

Profession

Nothing very promising about your career prospects during the coming month. There is a distinct possibility of a serious conflict with your colleagues. This must not be allowed to happen. You must strive to anticipate trouble areas and work to take remedial steps.

There would also be a lot of hard work involved, but this will appear to be a pointless exercise, since no significant gains would accrue to you. The same is also true of travel, of which also a good deal is indicated, though there might be some minor advantage for you in a journey towards the West. There would also be a fairly deep-seated feeling of dissatisfaction which could seriously bother you.

Education

So far as your educational prospects are concerned, you might find a number of problems looming large on the horizon this month. There is a distinct possibility that most of you would lack the necessary drive and motivation to get to the top. This would reflect in your performance and those sitting for any competitive examination would do well to combine their efforts with some extra coaching.

This might make all the difference between success and failure. Students of both the arts and the sciences would have to put in a great deal of extra effort to retain their ranking. But persevere they must, refusing to give in.

Travel

Not much percentage in travel for you during the coming month since the stars are not too helpfully placed. There is a likelihood of an injury or some other physical trouble during the course of your travel. Exercise care and minimize all risks. Your job or business would require that you undertake a fair amount of travel.

However, these efforts would not be very successful and you would have to go through the motions as it were since these would be fated. You would travel alone and almost entirely by rail or by road. The most favourable direction would be east though during the coming month it would not be all that beneficial.

Family

Nothing particularly favourable about the augury from the stars this month in so far as your family welfare is concerned. You must firmly curb your fancies of pointless suspicions, facing which your relations with your wife would suffer seriously. Therefore, exercise restraint on this score.

Some of you could also have serious differences with your brothers. Here again, self-control and patience would be necessary. Stay away from trouble-spots and refuse to get provoked into any kind of confrontation. Children would also add to your difficulties. Their activities would need to be carefully supervised.

Children

This month the affairs of your children are unlikely to progress smoothly since the stars are not too helpfully inclined. The wards of most of you would tend to behave in an unruly manner, with some of them quarrelling seriously with their brothers. Parents should deal firmly with such a situation and insert a minimum level

of discipline.

Most of them would also not fare too well at studies. Those pursuing the fine arts like music, dance, drama, and other such activities would face a particularly difficult set of circumstances. Those sitting for competitive examinations must go in for extra coaching.

Prediction For December 2025

Health

The augury from the stars is not very encouraging for your health this month. Those suffering from piles and chronic ailments of the chest would face a difficult situation, far larger measure of attention would have to be paid to the treatment than usual. All precautions should be taken without fail.

Further, there is the possibility of problems like muscular cramps bothering you. These would most probably be quite brief, but would nevertheless merit a close look and serious treatment. This is even more important in an unfavourable month because no chances should be taken in such a situation. Take care, since this is a somewhat difficult period for you.

Finance

Nothing particularly favourable in the augury from the stars this month, about your financial prospects. The circumstances would be such that delays and hurdles are likely to mar any progress that you might make through the sheer dint of your efforts and perseverance. But even more important, would be a noticeable loss of self-confidence and courage that would virtually make you incapable of taking the initiative.

This would reflect in all your efforts, which are unlikely to get you anywhere. Further, the climate would be far from congenial for fresh investment, and any such plans should be shelved for the time being.

Profession

An month during which not only are the prospects for your career advancement nonexistent but if you are not careful you could well come several rungs down the ladder from your present station. There is a distinct possibility that some of you would be inclined to operate outside the law for quick profits. Should this come about, the consequences can only be disastrous. You must therefore firmly resolve not to succumb to such temptations.

There is the further likelihood of serious difference with your colleagues. This again is something you must strive to avert. Travel is also indicated but would not bring any gains, though a northward journey might bring some minor advantages.

Education

So far as your educational prospects are concerned, difficulties would tend to dominate the horizon, owing to a far from favourable stellar configuration facing you. Technical students who otherwise do well, may well discover that to retain their ranking they may have to work much harder. Jobs demanding skill with hands, would entail that you practice a great deal more than usual.

Those appearing for any competitive examination would do well to go in for extra coaching. This could make all the difference between success and failure. Still, you should persevere and if you do this there is every chance of overcoming all problems.

Travel

This month travels may actually bring difficulties and losses to you apart from not being very gainful since the augury from the stars is not very encouraging on this. There is a distinct possibility of an injury or some other physical trouble during the course of your sojourns. A good time to exercise all the care possible and to minimize risks.

Indications are that apart from business or job related travel, which would be quite without significant reward this month, you would undertake some other travel. This could be for pleasure or for adventure, like trekking. This is where risks are to be minimized in particular. You would tend to travel alone and almost entirely by road and by rail.

Family

A month during which there would be very little of a pleasant note in the family atmosphere because the stars are not in a favourable mood. You must at least dispel pointless suspicions from your mind failing which it is very likely that your relations with your spouse could become very unpleasant.

Relations with brothers could also develop cracks and lead to extremely unpleasant situations. Be patient and stay away from confrontation. Children would add to your woes. Pay greater care and supervise their activities carefully devoting more time and energy on this.

Children

A month during which the affairs of your children would face several problems for parents, since the augury from the stars is not too helpful on this. There is a strong possibility of an injury or some sort of physical trouble to the wards of some of you.

Those among them who are adventurously inclined or sportsmen would be especially vulnerable. However despite this, some of them may do very well at sports. By the same standards none of them would do very well at studies. In fact, those sitting for competitive examinations would do well to go in for extra coaching.
