Duastro Male

The outstanding feature of your personality, as you are under the Virgo sign, is you look much younger than your age. That is your trump card in your long, eventful life.

Lean and lanky, with a prominent forehead, your eyes radiate honesty and sincerity. A straight nose, bushy eyebrows, dark hair and an athletic body provide a youthful touch to you. The only snag is you will have a thin and shrill voice which doesn't match with your general appearance.

You will enjoy robust health because you are very particular about avoiding disease. Hence, you always walk briskly, to avoid a bulging paunch. Since your stomach and the nervous system are pretty sensitive, you will have to be choosy in your intake of food. Eat at regular intervals instead of as and when you like and restrict your diet to vegetarian. Under any circumstance don't touch liquor and don't go anywhere near any kind of drugs. Take vitamin B.

Talkative by nature, you rub others the wrong way by endless criticism of the observations and actions. Put a check on it, otherwise, you will alienate your business associates and friends. A conservative, you are so calculating that you want to go into the minutest detail of everything. If you abandon this approach, it will be to your advantage. Another trait you will have to give up is fickle-mindedness because of which you lack consistency of purpose. You will have to first set your sight on a clear goal, work out a strategy and implement it with single-minded purpose, instead of suddenly getting upset and changing jobs. You confuse yourself by seeking the advice of any number of people on any given issue and consequently act in a haphazard manner. Accept the suggestions of any one person and act decisively on them which will turn out to be fruitful.

Family Life, Marriage & Business Partner

Duastro Male

Born when Pisces was in the seventh house, you can be optimistic of a good family life. You will have a good marriage and get an intelligent, wise and understanding spouse who will provide you with domestic comforts and happiness. An ideal match for you will be from the Capricorn, Cancer, Taurus or Scorpio signs.

Your marital relations will be even stronger if you treat marriage as a partnership than as one in which you should be dominant. This will ensure a pleasant, friendly atmosphere at home. The effect of a loving couple will be reflected in the behaviour of the children, who will come up to your expectations and earn a good reputation.

Regarding your desire to go into trade rather than taking up a job, you had better give up the thought. In the first place, the returns on your investments in any venture will be poor. Secondly, you are not only hard working, you are also a hard task master. You expect others to emulate you and attend to the work on hand without wasting even a single minute. But this, as you know, is not a practical proposition. So, if you enter into business with a partner, you will be disappointed when you find the latter lethargic and your having to carry the entire burden. Hence abandon the idea of doing business. Instead, service will prove immensely beneficial as you are a dedicated and sincere worker. This will enable you to rise high in your profession.
