This month the combination of stars facing you is anything but favourable for your health. Any predisposition to chronic ailments like rheumatism and complaints of the digestive system, like constipation is likely to see you concerned about your state of health. You will have to obtain treatment and maintain effective diet-control.

Any laxity in this, would be entirely at your own cost. Further there is the danger of an accident or a violent hurt which must be guarded against. Here again, there can only be a general kind of caution. But chances are that if you maintain caution, this would be helpful in every way.

Nothing very favourable in the augury from the stars in so far as your financial prospects are concerned, this month. There is also the possibility that some of you would be influenced by a mean streak that would goad you on to severely exploit your juniors, workers or simply people below you in the social strata.

This would be met by stiff resistance and could easily turn into an extremely unpleasant situation from which it might not be easy to extricate yourself.
