Education, Mother, Conveyence & Property

The general trend is that anyone born when the Cancer sign was rising in the fourth house will be blessed with an ideal mother who will be a source of perennial strength to the entire family. Sincere, loyal and devoted, she will provide spiritual support to her husband and guidance to children whom she adores.

Only when she finds herself neglected does she become moody. This is not good for her health as it may affect her digestion and chest, lungs and throat. Hence it is necessary to keep her happy all the time.

It is not uncommon for a Cancerian to inherit ancestral property in the latter part of life. Craving to come by hidden treasure may be asking for the moon, but it is possible that one will have an unexpected windfall, either through speculation or by dealing in items connected with the earth, like mining or contracts. You may also acquire a house of your own. That would fulfil one of your main ambitions as you are very particular to have a bungalow with all comforts. This is because right from a young age you would be accustomed to good residential facilities. You may even buy a vehicle.

Regarding education, you will study as per your inclination. If you desire a high academic qualification, especially in science, then it will not be easy to achieve. You will have to work hard for it. For you the ideal subjects to study are literature, mathematics and business administration.

Your otherwise sound health may weaken in your old age, when the chest and the lungs may cause trouble, the origin of it being hereditary.

In your case, there are dark forebodings, due to the stationing of Rahu in Cancer in the fourth house, to the effect that you may not have a good family life. Your ties with your mother may be strained, as a result of which you may not get parental property. And within your own family circle the atmosphere may not be pleasant because of your actions, the foremost among them being frequent change of residence.

You may face obstacles in pursuing education too; and assuming you manage to secure sufficient academic qualification, you will realise that you won't get the expected reward.
